

Dear Parents,

12<sup>th</sup> June 2018

Year 4 have already started their final terms involvement in the 'Wider Opportunities' scheme. Many of the children have made very good progress this year and we feel it would be a real shame for them not to have the opportunity to keep playing the instrument they have learnt, especially as we feel some of the children have a real talent and great potential.

Many of your children have indicated to us that they would like to carry on with learning their instrument. Whilst we will be providing another class with the 'Wider Opportunity' experience in September 2018, we have managed to arrange for your child to continue learning next year. We believe this to be a valuable skill which will serve them well and offer them much enjoyment in later life.

We will be able to provide an instrument free of charge for an additional year, but we do need to ask parents to pay for their children's lessons. The children would therefore have a 30-minute lesson each week in a much smaller group of 4 children at the most for only **£6.00** per child each week. That's approximately **£222** for the full year. We would ask parents to pay for these lessons on a half termly basis, which would vary depending on the number of weeks in a term. This is incredible value for music tuition lessons!

If you would like for your child to continue with lessons next year then please complete the slip below and return it to school as soon as possible. We will be asking you for a payment of **£36.00 (6 weeks at £6.00)** for the first half term, **22<sup>nd</sup> June** if your child would like to continue with music tuition next year in order for us to go ahead with ordering the instruments and booking the lessons. (Payment details will follow, once we have received your child's slip)

I really hope you will encourage your child to continue with this exciting opportunity.

Yours sincerely,

Mr. C.Shields  
Headteacher.
